Application for *Honorary Mentorship Program*

*In Order to match you with a mentor that will meet your interests, please answer the following:*

What do you hope to gain by participating in this Program:

Are there specific interests that you have in psychoanalysis (i.e., research, theory, techniques, history, etc.)?

Have you had any previous exposure to psychoanalytic thinking?

If you have other information that would assist in matching you with your mentor, please note it here
